

**REMARKS**

In response to the Restriction / Election of Species Requirement of November 29, 2004, Applicants elect Group I, claims 10-16, without traverse. Applicants further elect Species I, a flat panel display with transistors having different resistance values at the drain region, FIGS. 7-8, without traverse. Claims 10-16, are directed to Species I and remain pending in the application for examination.

Applicants note that although claims 1-23 were pending, restriction was required only between claims 10-16 and 17-23. Accordingly, claims 1-9 remain pending. Claim 1 is a generic claim. Upon allowance of a generic claim, Applicants will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include the limitations of an allowed generic claims as provided by 37 CFR 1.141. Claims 17-23 are cancelled.

**CONCLUSION**

Examination of claims 1-9, together with elected claims 10-16 is respectfully requested.

Respectfully submitted,
